tion Leads to Fatal Consequences.

(Special telegram to the Dispatch.) ROANOKE, VA., November 1.-A terri ble tragedy occurred here this morning about 8:30 o'clock. James P. Melhorn, a was shot four times by Officer G. B. Geé and died almost instantly. Melhore until a few days ago was superintendof the Roanoke Sanitary Plumbing company, whose office is on Jefferson street; but having been on a protracted spree he was recently removed from that position, and J. V. Towler, bookkeeper of the company, was given the pisce. This angered Melhorn very much, and after making things very unpleasant for Towler for a couple of days, he assaulted him yesterday evening at his desk, knocking him senseless. Towler at once swore out a warrant for Melhorn's arrest, but it was not served upon him last night. In the meantime he met Officer Locke and said he had a Winchester and Smith & Wesson revolver loaded for the policeman who would attempt his arrest. He promised, however, to report at police head-quarters this morning and stand his trial.

A FATAL VISIT.

Just before 8 o'clock he went to the office of the Plumbing Company and asked Towler if he was going to the police court. Being answered in the affirmative he closed the front door of the establishment, saying he would give him something to go there for. As his intentions were evidently hostile Towler left the office. While Melhorn was standing on the sidewalk in front Officer Gee came up to him and told him he had a warrant for him. "I will come up." said Melhorn, backing towards the door.

The sores commenced to heal up; the flesh began to look more natural and healthy. Then the scales came off and all over his body new and healthy flesh and skin formed.
